

# Conference Options

River Shack Rentals understands sometimes you need to get away from the daily grind of the office – *fresh surroundings can inspire fresh thinking*

Options can vary from property to property, below are some indications of how we can make your conference or workshops easy and more successful

Catering – we can help you organise a chef, or have a chef organise your requirements that you can wow your guests and cook your self!

We can offer a range of easy to present food so you can work and relax not worrying who will cook the meals
